CLEAR THE AIR WITH
CLEAN CARE

DID YOU KNOW?*

There are roughly 700 strands of bacteria living in the average vehicle.

32 percent of drivers only clean the inside of their vehicles once a year.

The average steering wheel is four times dirtier than a public toilet seat.

INTERIOR PROTECTION WITH ANTIMICROBIAL PRODUCT

Your Clean Care product limited warranty comes with one application of the interior product to assist in the prevention of permanent stain damage on the treated surfaces caused by:

- food and drinks
- makeup
- chewing gum
- ink
- dye transfer on seating surfaces
- blood, urine and vomit
- pet stains
- odors caused by bacteria, mold, and mildew

3-Year and 5-Year Terms Available

If Clean Care fails to protect your interior from any of the above, we will pay to fix it using the best available methods of cleaning, reconditioning, repair or replacement!⁽¹⁾
